Dear pupils of Mrs. Christa Mc Aulliffe,

we are Italian pupils of Scuola Media (Junior High School).
We are very sorry for what happened, for the tragedy of the Challenger
and for the death of your teacher.

We saw the terrible explosion on television in a live
broadcast and we all were upset.

We can understand it was a heavy blow to you and to the USA.
We understand your sadness and bitterness.

We wish to express to you and to the family of Mrs. Christa
Mc Aulliffe our heartfelt sympathy.

We deeply admire the courage of Mrs. Christa, because she
was not an astronaut and, to some extent, she represented all of us, the
common people.

Please, let us hear from you.

We'd like to know more about you and about your dear teacher.

Best regards
