Dear Sir,

The teachers, parents and children of this school wish to send you our deepest sympathy in the sad loss of your lovely teacher, Christa McAuliffe.

The scale of the tragedy has shocked the world and we send you our love, our thoughts and our prayers at this time.

We are a small but caring school of only 70+ pupils and can only imagine your terrible grief. I am sure however that you can thank God for the life of this wonderful person and, of course the other astronauts who perished in this devastating way.

Yours very sincerely,  
Joan M. Hobbs.
