OUR

Sympathy

No one else can truly feel
the sorrow that you bear,
But may it help somehow today
to know that others care--

And may it help to ease your loss
and bring some comfort, too,
To know that many thoughts are there
in sympathy with you.

Although we are so a far apart, our thoughts
and sympathies are with you.

From the Prefects, pupils and staff of
New Forest High School in Durban, South
Africa.

p.s. Enclosed is a copy
of a school magazine so
that you can be familiar with
New Forest High. Maybe you
can send us a magazine of yours.
