Dear Sir,

As colleagues in the teaching profession we share your loss and sorrow in the loss of Mrs. McAuliffe. On behalf of the staff of our school we extend our sincere condolences. We were proud to be teachers when Mrs. McAuliffe spoke of the importance of teaching to the wellbeing of society. This past fall we too lost one of our young vital teachers in a sudden and violent accident, and so we know, in a small way, part of what your staff must be experiencing. Although we have never met, we feel a common bond as educators, and our thoughts are with you.

Your truly,

Paul R. Long
Principal.
