To the pupils and staff,

My name is Gary Hollier and I have just finished reading about Christa McAuliffe in the evening paper. I would just like to extend to you my deepest sympathy.

I saw the actual explosion on television last night and was in tears by the end of it. I just couldn't believe it happened. I am sure you will all miss her terribly. She struck me as being a very special person with some excellent advice, in the short time we saw her on tv.

I believe the whole world is sharing in your sadness so

remember you are not alone in your grief.

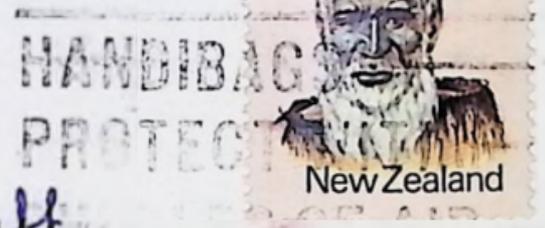

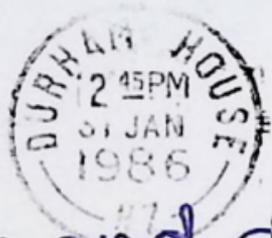

If there is anyone at your school who would be interested in replying to me I would love to hear from them.

I am 20 years old and work for the NZ Government as a clerk, a job I don't particularly enjoy. I am interested in tramping, drama, photography and motorbikes. I am also very interested in writing to ~~people~~ people of other countries.

Please feel free to write if you would like to.

Yours sincerely,

Gary Hollier.
