Dear Sir,

My Fa'mily and I, send you, your co'lleagu's, and the children of Concord High School, and all the residents of the town of Concord, Our most deepest sympathy on your tra'gic loss of a co'lleagu'e, a friend and Teacher she was a very coura'geous lady. Not only my fa'mily, but all the people in my village mourn with you. Our Church and every Church in our loca'lity, will be praying for all the berea'ved fa'milys. With a Spe'cial prayer for Christa McAuliffe, fa'mily.--We saw on T V, her two sad children her Husband and Parents at the launch of the Shuttle Challenger we saw the joy the pride, then the horror and pain on their Faces. We know what pain is to lose a loved one. We lost our only granddaughter age 17 with Leukaemia, a beautiful girl. But we did know two years befor she died only a miracle could save her, but it is still a shock and the pain, it is now four years and the pain comes now and again. God bless you all and

P T O,

theses things. I do not know way I am saying this we
know you will never forget her. Once again God bless
you all

Yours Sincerly

John W Turner.
