Australia

To The Principal
Concord High School
New Hampshire U.S.A.

Dear Sir,

Concord Sydney New South
Wales Australia is my home town
(has been for the past 65 years) and
I feel a bond exists between your
Concord and mine particularly at
this sad time.

I have followed the space
programme via Satellite and I
have been most impressed with
the dedication of Christa McAuliffe
her deep earnesty & the bond I feel
that must exist between her & her
pupils. It is with deep regret I
write to express my Condolences.
to you Sir the Teaching Staff and
the Pupils of Concord High School.
Not knowing the private

addresses of her husband & children
 & her immediate family, I would be
 most grateful to you if you could
 express to them also. my feelings &
 concern & the sadness for ~~those~~
 who have given their lives along
 with Christ for the betterment
 of mankind & for Prosperity.

I would deem it a privilege
 & a great honor if you would
 announce to the Pupils of Concord
 High. in the Assembly. anti-slavery
 that people all over the world
 particularly those who care are
 thinking of praying with them—

"Ephene" not for what the
 heart has always had it will
 never lose May God Grant Christa and
 her colleagues. Eternal Rest let perpetual
 Light Shine Upon them May they Rest in
 Peace until they are all reunited with
 their families ~~some day~~

"Beyond the Sunset"

Very Sincerely Jno Hathorn Mch 15
