Dear friend:

Hi! how are you, I hope you are fine, here in Mexico almost we are all fine, my parents all my family and my friends, but a lot of people is still suffering because the earthquake and we are very scared because sometimes you still feeling the earthquake and sometimes you fell dizzy and you don't know if it is another earthquake or you are only dizzy; for example yesterday, I (BA) was at school and at 2:10 pm I thought that I was dizzy and later they said that it was a little earthquake.

And thank you for all the help that you send when the terrible earthquake happend. And now we are ~~(XXXX)~~ really very sorry about the thing that happend to the Challenger and to your teacher, so, I and many other friends would like to be your friends and we will be glad when ~~(A)~~ we receive your letters so my name is Valeria and I am going to the Miraflores school, and my adress is:

Liman tour # 66 cto. Economistas
