Mrs Doreen Pigg
290. SANDRINGHAM RD

INTAKE,

DONCASTER.

YORKSHIRE.

ENGLAND.

Dear Mr Motey and Pupin

With you

Please accept my Deepest Sympathy of
your tragic loss of a dear teacher
and friend.

I was watching the launch on my

television and like yourself could

not believe what I was seeing.

But the people of America can be

very proud of all the members

of the Space Shuttle and know.

They did not die in vain

China. Mr. Austin was a very

special person to everyone

Please extend my Sympathies
to her family and tell them
I am praying for them and
know God will help them to
bear their Grief.

Yours Sincerely
a

Mrs D Rice
