Dear Sir

Let me first and foremost express our deepest sympathies on the sad and untimely death of one of the members of your staff - Ms. Christa McAuliffe. I know how you all feel about but as you say "life is uncertain and none can predict what is going to happen next". If everything would have worked according to schedule Ms. McAuliffe would have created history but God has decreed otherwise. She and the other members of the crew have not died in vain. They sacrificed their lives for the greater good of humanity. Time alone will only reveal this.

The entire world was horrified. We in Sri Lanka, thousands of miles away were simply shocked. We share your grief at this hour of need.

Please accept and convey my sincere feelings and those of my parents to other members of the staff, her dear ones and to all my fellow students.

I remain,

Yours Sincerely

Ms. J.B. Thaha.

Collegiate Student.
