MR CHARLES Foley

Dear Sir,

Please convey my  
Sincere Condolences to all your Staff  
& pupils of Concord High School!

We in the U.K. watched in  
HORROR! the terrible Disaster to your  
Space Shuttle!

What a wonderful Honour  
your School Holds. - One of the  
MAGNIFICENT SEVEN was  
a ordinary mother & school teacher!  
who was loved & respected thruout the  
world! Please tell the children when  
the grief has passed. - to walk tall &  
Hold their Heads High! Concord High School  
now holds a place in HISTORY!

We host very many of your  
countrymen on their visit to our great  
city London! & have made very many

friends! Remember we are your greatest ally! & admire the courage & endeavours of all your Citizens! Your Space Programme has amazed the whole world!

The Seven Brave people who died serving their country will be forever Remembered.

We sometimes take all these brave people for granted - let us not forget them!

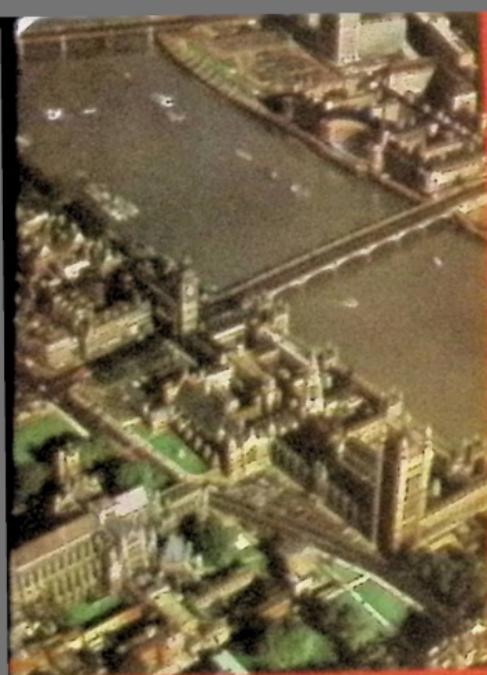

Many tears have been shed in the U.K. today! - your grief is shared. all over the world - especially in my home today with my family around me!

God Bless you all!

from a friend  
in Grief.
