Dear Mr. Foley,

On behalf of our faculty, administrators, staff, and myself, we extend our sincerest sympathy and grief for your tragic loss of Mrs. Sharon Christa McAuliffe.

We too here at The American School of The Hague have suffered a tragic loss on our teaching staff recently and can share your empathy at this most difficult time.

Mrs. Sharon Stude was a wonderful person and an outstanding teacher to us here at ASH. As was Mrs. Christa McAuliffe to you at Concord High School. We will all feel this loss deeply. Perhaps some words passed along by one of Sharon's colleagues are appropriate for both exceptional teachers:

"In death she left a legacy to education, and to all of us a wish, not that we grieve her death, but that we celebrate her life."

Yours sincerely,

Dr. Gail D. Schoppert  
Superintendent
