«From the ecstasy to tears»

Dear sirs,

The painful fact of the tragedy of the spaceship «CHALLENGER» imposes on me to express my deep affection and my sympathy to the family of CHRISTA McAULLIFE.

It was her destiny, exploring new worlds to pay heavy price for the progress.

CHRISTA McAULLIFE was brave, pionner and she had the heroism which allows to the humanity to understand the science.

Allow me to participate in your mourning for the tragical death of CHRISTA McAULLIFE.

A student who feels  
dissappointment and pity  
for the death of CHRISTA  
McAULLIFE.
