Mr. Foley -

This letter came from the French school with which we have an exchange program. I thought you might like to have it.

Elaine DeCesco  
Principal  
Concord - Carlisle H.S.

Dear Elaine,

On behalf of Madame Guth-Sneider, of all the staff, and particularly all the teachers involved in the exchange, and of all the pupils of Lycée Berlioz, I want to tell you and everybody - staff and pupils - in Concord-Carlisle High School that we were very upset by the tragic accident of Challenger and that we share your feelings of loss and sadness. Concord, New Hampshire is not so far from Concord, Mass, and Mrs Christa McAuliffe was a colleague of us all.

Please, may these words, assure you of our deepest sympathy.
