Dear Mr Foley.

From a small village in Yorkshire, England, my wife & I would like to send to you, the Staff & Pupils of your school, and to the bereaved loved ones of Christa McAuliffe our sincere condolences at this very sad time.

May the pride and admiration you hold in your hearts for this very courageous and caring lady, and indeed for each of her astronaut colleagues who perished, uplift you in your sorrow, and for your pupils provide a shining inspiration as they move into the future.

Yours very sincerely,
Harry Smith.
