Sir

Please accept our sincerest condolences on the death of Mrs. Christa McAuliffe in the Challenger tragedy.

Her enthusiasm and dedication to her profession serve as a glowing example to teachers all over the world. We endorse President Reagan's words, that the future belongs to the brave, not the faint-hearted. Mrs. Auliffe truly was one of the brave.

May God give you and the members of your staff the strength and consolation to continue your good work.

Yours faithfully
