Feb 4 '1986.

Dear Sir,

We, here at St Francis  
de Sales Mission School,  
wish to extend our  
love and prayers to you,  
all your staff and student  
upon the death of  
Christina Mc Auleiffe.

Our classes (science)  
especially followed the  
procedures of anything we  
could read on The  
NASA Project.

It was with many  
tears and great sadness  
that we heard ("few  
TV's here!!") about the  
project.

Please know: you shall  
be in our thoughts  
& prayers as the days  
pass on - remembering  
her husband, children,  
parents, family too.

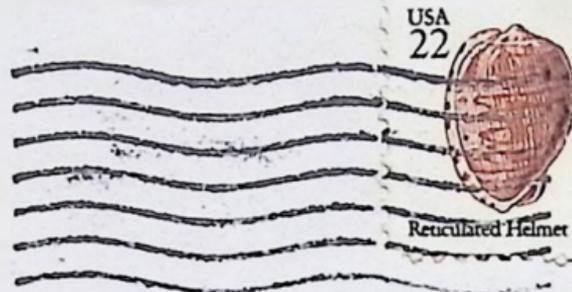

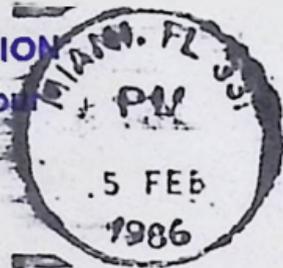

Love & Peace

A. Pat Mahoney O.F.  
Counselor

on behalf of  
student body.
