31<sup>st</sup> January 1986

Dear, Mr. Foley,

On behalf of Cross and Passion College, Ballycastle, we would like to offer our condolences to you and your school on the loss of Mrs Christa mac Auliffe.

It is obvious Mrs mac Auliffe was very popular with the staff and pupils of your school, so it must have been a great loss to them. Her bravery was known throughout the world and this disaster will never be forgotten.

It must have been very hard for you to watch her confidently board the shuttle and horrific to witness what followed, to realise that she had gone, never to return again. In a way we share the same grief. We will always keep a place in our hearts and in our prayers for the crew and especially for Mrs mac Auliffe.

With our deepest sympathies  
from the pupils & staff of  
Cross and Passion College  
Ballycastle.
