Dear friends,

I would like to offer my deepest sympathy and sincere condolences on the loss of your teacher and colleague Crista McAuliffe. I know all of us in Canada were shocked and saddened - we share in your grief.

At a time like this talk of bravery and adventure can do nothing to hide the fact that you have said goodbye to a friend, a teacher, a co-worker, a neighbour and a human being. I wish I could do more than to offer my sympathy and support to all of you and to the family.

With my respects to you all
