Dear Sir

I am writing to say how sorry I am about what happened to the Space Shuttle as it was taking off. I know how close some of your pupils were to the teacher. I saw it on the television and in the newspaper. I was horrified and would like to say again how sorry I am.

Yours

faithfully

Dear Sir

I am very sorry what happened.
I was watching it on television and to my
surprise there was a flash of light and a fire
broke out only 72 seconds from take-off. It was
amazing and horrible.

Dear Sir,

I was very sorry to hear that one of the teachers from your school was in the shuttle, Challenger, when it exploded. I hope you will accept my sympathy.

Yours sincerely,
Siân Needs.
