Dear Mr. Foley:

Just prior to the tragic circumstances which led to her death, Mrs. McAuliffe wrote a personal letter to the President of the Nova Scotia Teachers Union.

In her letter she expressed her pride in being a teacher and her hope that students would in the future choose teaching as a noble and challenging profession.

On the Anniversary of her death, people around the world joined the people of the United States in shared sorrow.

Her words inspired us and in grateful remembrance, we send to you an engraving of the poem "High Flight" composed by Pilot Officer John McGee, an American citizen who lost his life while serving with the Royal Canadian Air Force in 1941, at a time when we, as a nation, needed assistance and inspiration.

We will keep Mrs. McAuliffe's words, and ask you to accept ours.

Sincerely,

Karen W. Duerden

Dear Ms. Duerden:

With deepest apologies for our tardiness in responding to your letter of February 10 last, I thank you for both your letter and the engraved poem by John McGee which hangs proudly in our main office for all to see and read.

Please express to all your teachers the gratitude of our staff for their thoughtfulness in remembering Christa on the anniversary of her flight to eternity.

Sincerely,

Charles F. Foley
