Your Municipal Services

KATHY S. RICE
CITY MANAGER

"Our elected officials provide the leadership to enable us to effectively administer all City programs thereby providing your municipal services. I consider the City very fortunate in having as its elected officials individuals with an inborn sense of idealism. They provide leadership with visions of the future and the needs of the citizens in this community. We attempt to identify change before the change occurs which is needed rather than focus on the status quo. I consider the leadership of our elected officials as dedicated, imaginative and creative. As effective leaders, we must strive for understanding how things should be rather than how they are and continue to make those changes that are necessary. The citizens of Gulfport and the State of Florida are fortunate to have the Sunshine law and open government. All citizens are encouraged to visit the divisions within our municipality for purposes of seeking information and expressing their opinions. I would like to describe some of your municipal services."

Gulfport Historical Society

The GULFPORT HISTORICAL SOCIETY was organized on June 8, 1981 when fourteen civic minded individuals met in the office of Catherine A. Hickman.

The purposes of the organization are:

- To preserve Gulfport artifacts for our posterity;
- To leave to future generations the legacy of their roots;
- To interview long-time residents and compile a history of Gulfport;
- To find and preserve historic buildings;
- To share memories;
- To instill knowledge and pride in the City of Gulfport by residents.

The primary objective, to publish a history of Gulfport, was achieved as promised in October 1985 in time to help celebrate our City's 75th anniversary. The book was the result of the work of many dedicated people who spent countless hours gathering and editing the material presented in "OUR STORY OF GULFPORT, FLORIDA".

The second objective was to find a home for the memorabilia so generously donated by our citizens. Our museum became a reality in 1983 when the City leased to us a building at 5301 28th Ave. So. The members set about repairing and painting this historic building that had once housed the First United Methodist Church. Agnes Conron and Jan Cook, our first two curators, with the help of other volunteers, assembled the many items displayed within the museum. We are pleased that groups of children with their teachers and some parents have visited the museum on field trips. Copies of "OUR STORY OF GULFPORT, FLORIDA," were presented to the teachers at Gulfport Elementary School and Most Holy Name of Jesus Elementary School to help them prepare for their trips to the museum.

Membership meetings, featuring guest speakers, are held every other month from October through May and are open to the general public.

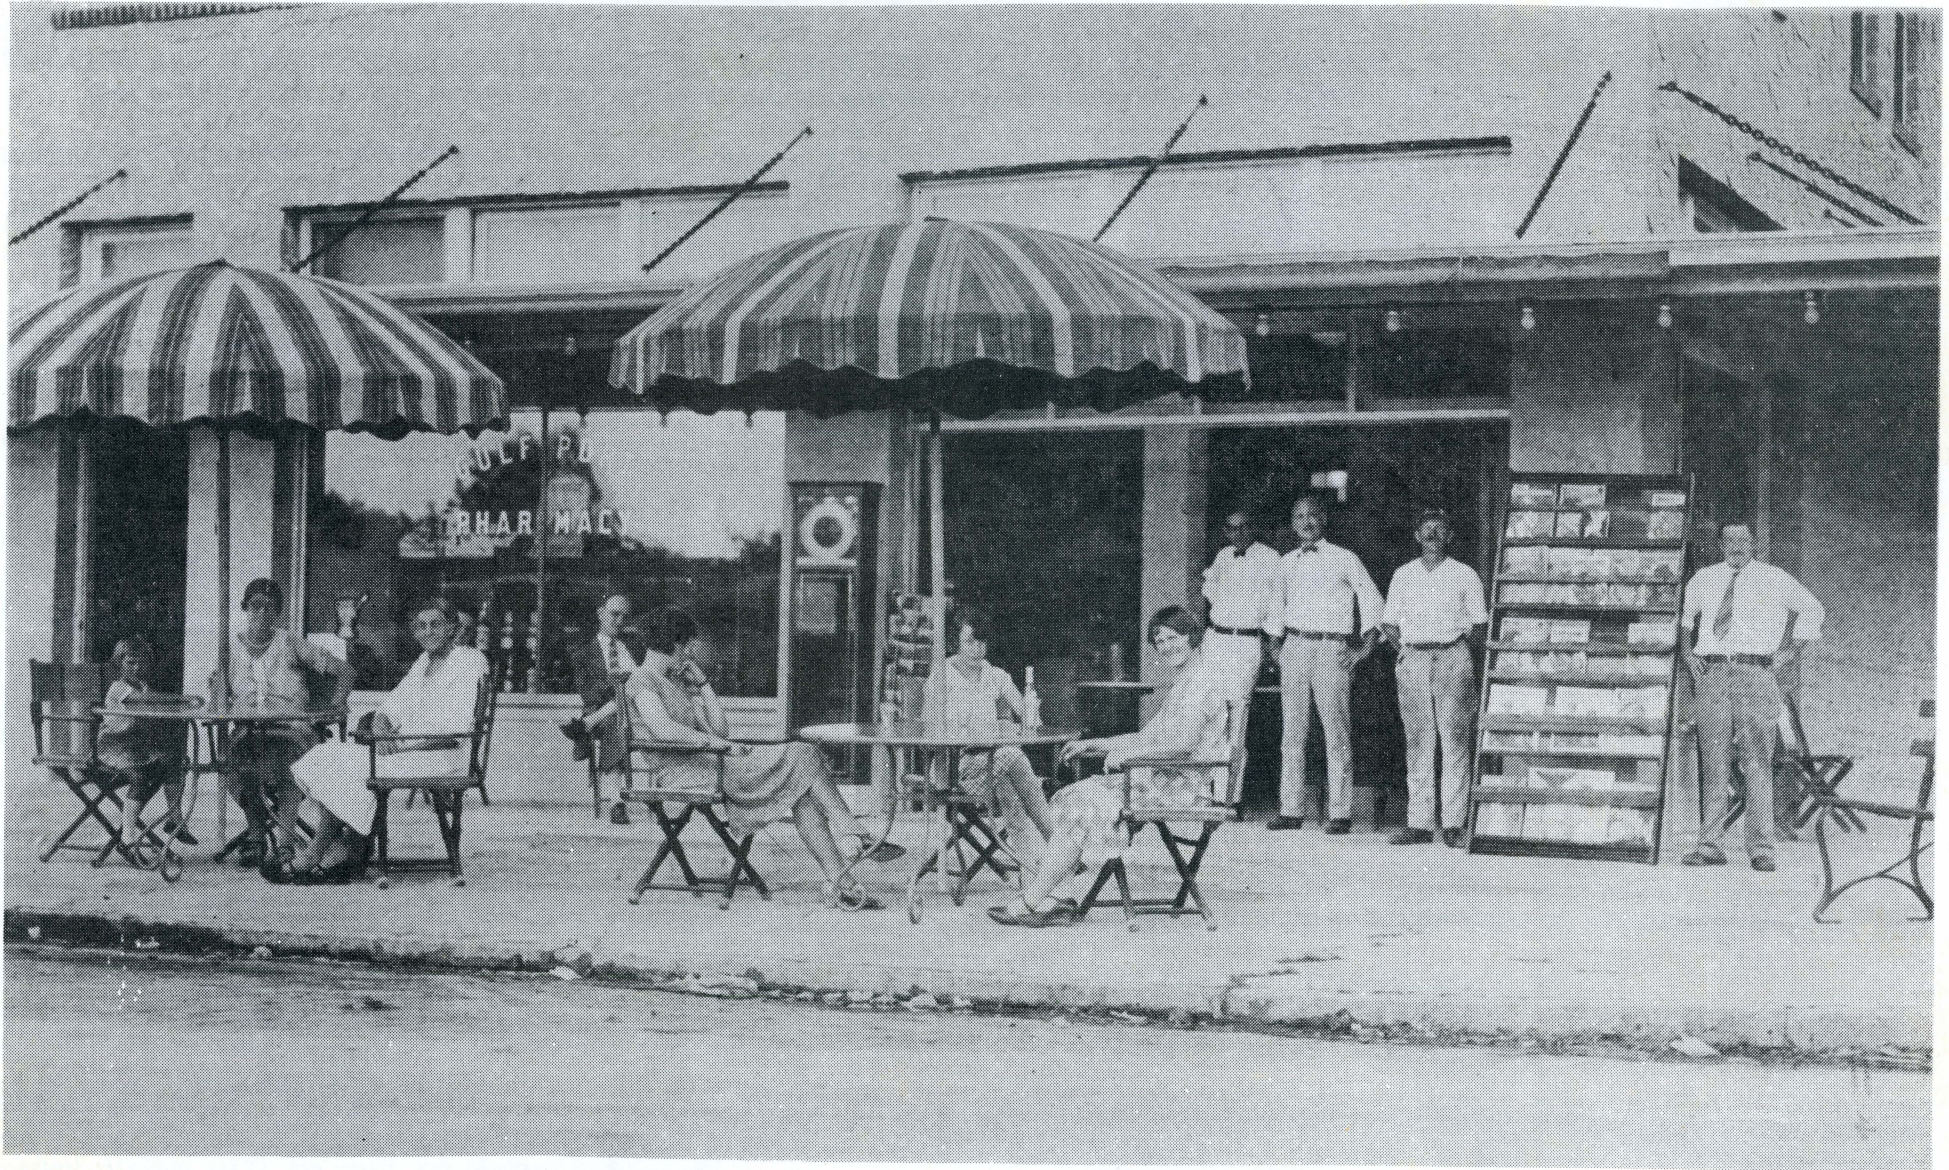

Each spring, in co-sponsorship with the City of Gulfport, we celebrate NOSTALGIA DAY at which time old-timers and new-comers get together at Chase Park to renew acquaintances, to share memories and to enjoy the Fire Department Fish Fry. This past Nostalgia Day, in commemoration of Pinellas County's 75th Diamond Jubilee, we presented "The Medicine Show", a special entertainment event that gave us all a fun-filled opportunity to celebrate our past. Come to the museum at Chase Park for Nostalgia Day 1988 on April 9th to see what supprises we have in store for you this year.

The GULFPORT HISTORICAL SOCIETY was further involved in the County's 75th Diamond Jubilee when four of our members prepared and appeared in Cable TV programs and radio "spots". They recounted, in their own unique ways, moments in our City's history.

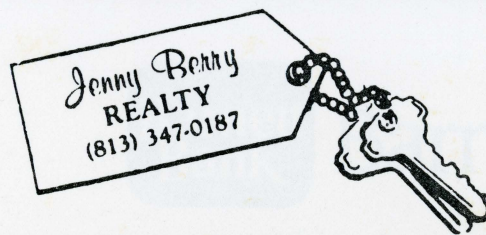

Members and guests have enjoyed past HISTORICAL SOCIETY Chistmas parties with old fashioned decorations, tree trimmings and food. We have expanded this idea with our first annual OLD FASHIONED HOLIDAY, co-sponsored by the City of Gulfport and the Chamber of Commerce. We invited city clubs and organizations to provide entertainment, craft exhibits, music, food and holiday cheer galore. It promises to continue to be a grand occasion.

We hope you enjoy this, our first Annual Historical Calendar of events with historic pictures. We would like to thank the GULFPORT CHAMBER OF COMMERCE for joining us in making this calendar a reality.

Gulfport Chamber of Commerce

The GULFPORT CHAMBER OF COMMERCE looks forward to another year of working to better our community through various programs.

Our after-business hours mixers provide a relaxed opportunity to meet other business people in the community. This interaction encourages our local businesses to support each other. Since these are hosted on a complimentary basis by a local business, they provide an excellent means to get to know our local merchants and their places of business.

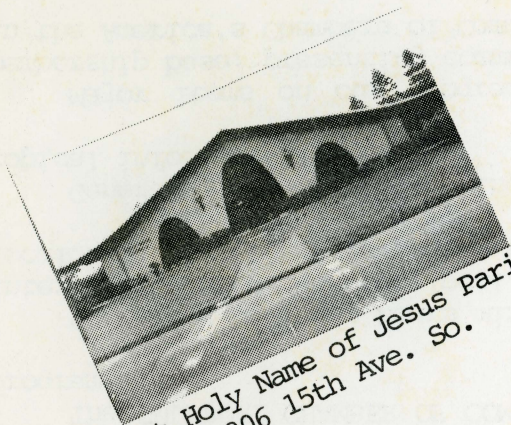

General meetings held during the year inform members and guests on the CHAMBER'S program of work as well as current topical information.

Major items on our program of work include securing funds for two WELCOME TO GULFPORT signs; broadening our membership base; presenting community awards; sponsoring an annual membership appreciation breakfast; and participating in the America's Chambers of Commerce and United Chambers Insurance Plans.

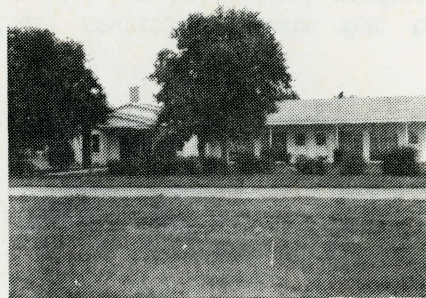

It has been our privilege and pleasure to join the GULFPORT HISTORICAL SOCIETY in publishing the first Historical Gulfport Calendar and joining in the newly established OLD FASHIONED HOLIDAY to be held in December.

The CHAMBER'S Board of Directors welcomes each of you to join its efforts in building better business relations within the community.
