"Gulfport is a state of mind, a feeling, as much as a location. Native-born or newly arrived, all true Gulfportians share this feeling of pride in our unique and colorful past, working together to preserve Gulfport and its history."

Having been settled in 1867, Gulfport history could appear relatively short to some, however, we were settled in the same time period as the western frontier. Settlers came from everywhere, from England to Virginia to the Bahamas. We had a blending of farmers and seamen, civil war veterans (both north and south), each bringing a way of life and culture.

They joined together to create a unique environment in which all could flourish. These hardworking, independent, fun-loving people formed the very foundation on which Gulfport exists today."

Catherine A. Hickman Founder Gulfport Historical Society

The Gulfport Historical Society was Incorporated under the laws of the State of Florida as a not for profit, all volunteer association in 1981, with its major function dedicated to the operation of the Gulfport Historical Museum, where data and artifacts concerning the history of Gulfport could be collected, preserved, and exhibited for the community. The Gulfport Historical Museum is located at 5301 28th Avenue South and serves as the most complete resource of research material for both individual citizens and historians. We are very pleased to be open six days a week. Our hours of operation are 2 pm - 4 pm Monday through Friday and 10 am -12 noon on Saturday. The Society publishes a quarterly newsletter, a yearly civic calendar, and provides a monthly series of informative programs for its members and guests. In addition, two programs of wide community interest are held annually; the *Nostalgic Birthday Bash* celebrating the anniversary of Gulfport's Incorporation on October 12, 1910, and the *Decade Celebration* this year offering an evening of entertainment featuring the 1960's to be held at the Gulfport Casino on Friday night, February 23, 2007. Everyone is encouraged to come dressed for the period.

Single story Mediterranean Revival, 5233 Dellett Avenue South, is part of the area known as Roebuck Subdivision. Alvah Roebuck divested himself of his interest in Sears and Roebuck and moved to Gulfport. He purchased a parcel of land, replating it in 1925 and began building the Mediterranean Revival homes of which there are several examples on Dellett.
