THE SOUTHWELL COMPANY BOX 299 SAN ANTONIO, TEXAS 78291

January 1976

To Community Leaders:

Like the ancient Egyptians and American Indians who carved messages and stories in solid stone, you can now leave some records of the events of a memorable year for the citizens of tomorrow.

Time speeds on! Remember Vietnam, Lyndon Johnson, a walk on the moon, Watergate, Nixon and Gerald Ford? Who was Kissinger?

On dedication day, place items of interest, newspapers of the time, photographs, names of community leaders and committee members in a permanent TIME CAPSULE which will be opened 25, 50 or 100 years from date of sealing. The bronze or aluminum plaque declares, "Herein are mementos from the people of the year A.D. 1976 to the people of the year A.D. 2001." We invite you to write your own inscription, design your own plaque.

We have been officially licensed by ARBA to produce these TIME CAPSULES and other HISTORICAL MARKERS for your Bicentennial celebration. We are proud to have been selected to work with you during this celebration of the 200th anniversary of our great nation.

If you will send a rough sketch of the desired marker, the approximate size and the inscription, we can then give you a price and delivery schedule.

Please send in your order as soon as possible so we can guarantee delivery of your TIME CAPSULE and MARKER for these historic ceremonies.

Sincerely,

THE SOUTHWELL COMPANY
