BICENTENNIAL COMMUNITY APPLICATION—APPENDIX B

City of Gulfport, Florida

(Name of Community)

In listing these activities on this form, we understand that the inclusion of at least one activity for each of the three thematic areas (Heritage '76; Festival USA; Horizons '76) is highly desired by the national ARBA because it increases awareness of the full scope of the Nation's Bicentennial program "A past to remember; a future to mold." We also understand that we must have at least one LASTING REMINDER (marked with an "X"). We acknowledge that the ARBA expects complete thematic coverage, not necessarily in the beginning, but at least during the full development and expansion of our Bicentennial Community program.
