The Gulfport Historical Society was incorporated under the laws of the State of Florida as a not-for-profit association in 1981, with its major function dedicated to the operation of the Gulfport Historical Museum, where data and artifacts concerning the history of Gulfport could be collected, preserved, and exhibited for the community. The Gulfport Historical Museum is located at 5301 28<sup>th</sup> Avenue South and serves as a resource of research material for both individual citizens and historians. We are very pleased to be open six days a week. Our hours of operation are 2:00 pm - 4:00 pm Monday through Friday and 10:00 am - 12 noon on Saturday.

The Society currently has three volumes of published Gulfport history and publishes a quarterly newsletter, and provides informative programs for its members and guests. We have over 3000 names in the Gulfport genealogy listing of the first families. In addition, two programs of wide community interest are held annually; the *Nostalgic Birthday Bash* celebrating the anniversary of Gulfport Incorporation on October 12, 1910, and the *Decade Celebration*, this year offering an evening of entertainment featuring the past 100 years. This party and dance will be held at the Gulfport Casino on Friday night, February 26, 2010. Everyone is encourage to come dressed for the decade of their choice (teens, 20's, 30's, 40's, 50's etc).

*"Gulfport is a state of mind, a feeling, as much as a location. Native-born or newly arrived, all true Gulfportians share this feeling of pride in our unique and colorful past, working together to preserve Gulfport and its history.*

*Having been settled in 1867, Gulfport history could appear relatively short to some, however, we were settled in the same time period as the western frontier. Settlers came from everywhere from England to Virginia to the Bahamas. We had a blending of farmers and seamen, civil war veterans (both north and south), each bringing a way of life and culture. They joined together to create a unique environment in which all could flourish. These hardworking, independent, fun-loving people formed the very foundation on which Gulfport exist today."*

*Catherine A. Hickman, Founder Gulfport Historical Society*
