Dear Mr. Swormstedt:

Enclosed for your records please find an executed copy of the Deed of Gift documenting the donation of a vintage neon Janitrol Gas Heating sign to the American Sign Museum by Hamilton County and the City of Cincinnati on behalf of the Metropolitan Sewer District of Greater Cincinnati. I am pleased that we were able to arrange for the donation and look forward to seeing the restored sign at the museum.

Please contact me at 513-557-5981 or carolyn.gutjahr@cincinnati-oh.gov if you have any questions.

Sincerely,
