

Dear Fir

The corn measured by mr Fisher's Baniel  $7 \frac{1}{2}$  bls – The present price is per bls The amount will be paid at any time you sent for it As I have no use for () would be glad to sell him to you. He is about 16 years old, and has 14 years to serve from last may. He is a much finer boy than Ephriam. My price form him is 175\$ which I was some time since offered by Mr Krab but did not like to let him have him. You can have him on trial if you wish it

Sincerely
