## SCOPE OF INSURANCE SURVEY & GENERAL INFORMATION

### SCOPE OF SURVEY

1.1 Report file no:	Ferreira 1955 Chris Craft Model 21 Cobra.
1.2 Survey Inspection Date:	June 12, 2023.
1.3 Date report written:	June 12, 2023.
1.4 Survey requested by:	This survey was performed at the request of the owner, Carlo Ferreira, who was not present at the time of the survey.
1.5 Type of inspection:	INSURANCE CONDITION & VALUE.
1.6 Purpose of survey:	Assess the overall condition and value of vessel for purposes of obtaining insurance and insurance underwriting. NOTE: <i>This type of survey should not be misconstrued as being a more thorough and more detailed buyers pre-purchase condition survey and is not intended to be assumed as such. Unless safety related, installed vessel components are listed in the report for insurance purposes but were not tested for functionality unless otherwise mentioned.</i>
1.7 Conducted by:	<b>Norman LeBlanc, SAMS® / AMS® #31 / SAMS® SMS Accredited Marine Surveyor® and George Gallup, SAMS® / AMS® # 733 Accredited Marine Surveyor®</b>  Onsite survey by Quinn Don Allman, Allman Boatworks, 330 Old Ferguson Rd,

**Survey File #: Ferreira 1955 Chris Craft Model 21 Cobra**  
**Surveyed For: Carlo Ferreira**  
**Gallup - LeBlanc Yacht Surveying & Appraising**

# GALLUP = LEBLANC YACHT APPRAISING & SURVEYING

**Huntsville, ON P1H 2J2, Canada.**

*1.8 Intended use:*

Recreation - Inland Waters.

*1.9 How survey conducted:*

The vessel was surveyed out of the water and stored inside.

*1.10 Electrical systems checked:*

DC power was used to check the DC electrical systems. All are properly installed, properly wired, and meeting the "current" ABYC (American Boat & Yacht Council) voluntary recommended boat building standards for DC shore power.

## VESSEL CONDITION & VALUE

*1.11 Condition rating:*

**EXCELLENT "LIKE NEW" CONDITION.**

*1.12 Estimated fair market value:*

**ESTIMATED INSURANCE FMV (FAIR MARKET VALUE) Where Is and As Is = \$225,000.**

*1.13 NOTE:*

The overall vessel condition and estimated fair market value is for the vessel in its current condition at the time of survey was established after a complete inspection of the stated vessel, the results of which are included in this report of survey. The estimated fair market value includes all listed auxiliary equipment. See "Survey Condition & Value Summary" section for additional details.

## SURVEY REQUESTED BY

**1.14 Client name:**

Carlo Ferreira.

**1.15 Street address:**

250 Pilot Road, Suite 150.

**1.16 City/State/Zip:**

Las Vegas, NV 89119.

## VESSEL INFORMATION

*1.17 Vessel Yr/Make/Model:*

1955 Chris Craft Model 21 Cobra.

*1.18 Vessel name:*

Touch of Glass.

*1.19 Hull Number:*

Hull # BR-21-32.

*1.20 Vessel description:*

A truly rare and fully restored 1955 antique and classic vessel

- Powered by an inboards Cadillac V8 250 HP, Serial # 21254
- 1" Diameter stainless steel prop-shaft in new condition

- The only plywoods used were in cockpit soles.

## VESSEL SPECIFICATIONS

### 1.21 Type:

Rare classic Mahogany vessel.

### 1.22 Construction:

LOA 21 3

Beam 6

Draft 24.

## SURVEY STANDARDS

### 1.23 Standards followed:

*This survey was completed using as reference the federal regulations and amendments issued and enforced by the United States Coast Guard under the authority of Titles 33 and 46 of the United States Code of Federal Regulations (CFR's) in effect at the time of the survey inspection. In addition the American Boat and Yacht Council (ABYC) and National Fire Protection Association (NFPA-302) voluntary standards in effect at the time of the survey were used as reference. These ABYC and NFPA voluntary standard practices are generally followed by most vessel manufacturers today. 100% adherence is not guaranteed.*

## SURVEY INSPECTION COMMENTS

### 1.24 Comments:

- *All systems and components inspected and described herein apply only at the time of Survey and are considered serviceable and/or functional except as indicated in the survey report and listed in the Recommendations section. Electronic devices and instruments were checked for power up only unless noted as tested for functionality. Areas not inspected include vessel structure areas which are covered, unexposed or inaccessible such as screwed down or false panels or bulkheads, moldings or any area that was not readily open for visual inspection. If a component is not identified in this report, it was not inspected.*
- *It is the nature of marine vessels that deterioration, wear and accidents do occur and as such, this report therefore represents the condition of the vessel only on the date the survey was conducted. This survey report provides no guarantee and no prediction of the vessel's condition on any later date.*

# GALLUP = LEBLANC YACHT APPRAISING & SURVEYING

## CONDITION & VALUE REPORT SUMMARY

### **DECLARATION:**

Rating of vessel condition was determined upon completion and review of all reported survey information including recommendations and comparing vessel to the same or similar age models. Possible vessel condition ratings are as follows:

- **EXCELLENT** - Essentially as new or bristol in appearance.
- **ABOVE AVERAGE** - Has had above average care with no obvious defects or limitations.
- **AVERAGE** - Ready for sale but needs some maintenance or repairs, updates or cleaning.
- **BELOW AVERAGE** - Needs significant maintenance, repair or service.

Estimated fair market value was determined by cross referencing data from Soldboats.com, BUC, ABOS, NADA, Powerboat Guide and other brokerage listings or local dealers. Adjustments are then made for condition or equipment as necessary. The fair market value is for the vessel in it's current condition prior to any repairs or maintenance.

The current 2023 value guides for un-restored original vessel allows for a value of \$42,000 US Dollars

**Estimated 2023 replacement value as built would exceed \$250,000 US Dollars**

**RATING OF VESSEL CONDITION - EXCELLENT "LIKE NEW" CONDITION**

**ESTIMATED INSURANCE FMV (FAIR MARKET VALUE) Where Is and As after the Complete Restoration = \$225,000**

**Vessel valuation breakdown as follows:**

## GALLUP = LEBLANC YACHT APPRAISING & SURVEYING

<u>Component Breakdown</u>	<u>Costs</u>
Hull / Keel / Frames built, as finished and as found:	\$87,000 US
Cockpit, helm and seats as built, as finished and as found:	\$47,000 US
Deck, bow, gunnels as built, as finished and as found:	\$67,000 US
Gasoline engine and drive:	\$12,000 US
Tankage and fittings:	\$6,000 US
Electrical:	\$3,000 US
Boat trailer:	\$3,000 US
<u>Total Valuation by Breakdown Costs</u>	<u>\$225,000 US Dollars</u>

INTENDED USE OF VESSEL.....Recreation - Inland Waters

SUITABILITY FOR INTENDED SERVICE: The vessel is considered fit for it's intended use

# GALLUP = LEBLANC YACHT APPRAISING & SURVEYING

## **GALLUP = LEBLANC YACHT APPRAISING & SURVEYING**

### **Summary of Qualifications:**

More than thirty eight (38) years of wide, varied and responsible marine industry experience in both power and sailboats from 13' to 151'. A full time yacht / marine surveyor from 1997 to present. Owned and previously owned many power and sailboats from 13' to 52'. Knowledge of all facets of hull components, wiring, plumbing, tankage, thru hull fittings, drive train systems, fasteners, bondings, fiberglass lay-up, hull to deck joints, keels, power plants, generators, and other areas of boat construction in wood, metals and fiberglass to safety codes and to ABYC / NFPA / USCG / CFR requirements. Professional experience evaluating and inspecting boat builder and manufacturing facilities at numerous New England boat building companies. Yacht appraisals; Since 1997 I have been involved in marine appraisals for tax purposes, estates, divorces, yacht donations. I hold a Certificate of Completion for the Uniform Standards of Professional Appraisal Practice (USPAP) course from the American Society of Appraisers. I use the USPAP approach to formulate and format appraisals. Full valuation cost breakdown of appraisals is my field of expertise. Strong mechanical aptitude and training combined with extensive experience in the operation, maintenance and repair of gas and diesel marine engines and outboard motors. Constant upgrading of boat building methods and materials. Yearly upgrades and attending of seminars on boat building, repairs, new products and techniques and latest in safety codes and builders standards. I have attended numerous boat builder seminars. Memberships; SAMS® / AMS® #733; ABYC (American Boat & Yacht Council); NFPA (National Fire Protection Association); Past President SAMS®; Board of Directors SAMS®; SAMS® Regional Director. Extensive boating experience offshore in sailboat and powerboats

**Norm LeBlanc, AMS® # 31, SAMS® SMS**  
**Accredited Marine Surveyor®**

### **Summary of Qualifications:**

More than sixty (60) years of wide, varied and responsible marine industry experience in both power and sailboats from 13' to 160'. A full time yacht / marine surveyor from 1985 to present. Owned and previously owned many power and sailboats from 13' to 46'.
