

I have just written to you my beloved by the person who
will probably be the bearer of this. Col Burr
just tells me, that the house we live in is offered
for sale at \$2100 — I am to request you to agree
for the purchase for me, if at that price — — —
If you cannot do better, you may engage that
the whole shall be paid in three months; but
I could wish to pay half in a short time
and the other half in a year. Adieu my Angel
A Hamilton
