EXPOSURES GALLERY 30th Anniversary Celebration

Come join me for an evening of music, conversation and Photography at Exposures Gallery on Saturday, Nov. 7 at 7 p.m. to commemorate my 30 years here in Sugar Loaf. In conjunction with the Hudson River quadricentennial, I have created a series of photographs of the Hudson River and Bear Mountain Bridge over 12 months. In addition to these 12 month photos, I'll be exhibiting a photograph from each of my 30 years as part of the celebration of the gallery's 30th anniversary.

The evening will feature Sugar Loaf blues musicians Budweiser Bob and Outside Don
