

# Camp LaGuardia architectural drawings for 1935 to 1943

Accession ACC-1994-050. [Unprocessed](#) - MSS. MSS papers and collections

---

## Description

This accession consists of architectural drawings for structures at Camp LaGuardia in Orange County, New York. Included are original pencil drawings for the piggery, a dormitory, a storage shed for wagons and machinery, a plan for the alteration of the existing ice house for vegetable storage, a warehouse, and a proposed pump house. Types of drawings represented include elevations and sections, exteriors and interior details, and foundation, ground floor, and roof plans. Some of the drawings are accompanied by matching blueprints. Materials are arranged numerically.
