REGISTER OF MONEY ORDER ADVICES RECEIVED

BY THE POST OFFICE

At Tontitown

State of Ark.

Commencing Jan. 7th 1901

Ended 190

This Book is the property of the United States. It is to be used EXCLUSIVELY as a record of Domestic Money Order Advices Received, and must be retained on file in the Post Office as a permanent record.

☞ **It is a misdemeanor to destroy this Book.**

When a Postmaster retires from office, he must turn this Register over to his successor, together with all other Money Order records, blanks, and property, and transmit a receipt therefor to the Superintendent of the Money Order System.

(Form M.)

Register of Money Order Advices Received.

INSTRUCTIONS FOR THE USE OF THIS BOOK.

The particulars of every Advice received of an Order drawn upon this office are to be recorded in this volume. It is the permanent record, hence the entries should not only be legibly written, but should be correct in every particular.

Examine Advices.—☞ *Never enter upon record the particulars of an Advice until you shall have examined it and ascertained therefrom that it is drawn upon your office.* It happens occasionally that Advices are by accident mailed to offices other than those to which they were intended to be sent, hence the Postmaster should make it a rule, not to be departed from, to always carefully examine each Advice, immediately upon its receipt, and, if found to be intended for another office, and evidently sent to his office through mistake, mail it forthwith to its destination. No record of its receipt is to be made in this book or elsewhere; write the word "missent" on the upper margin, and place upon its face an impression of your dating stamp, thus indicating to the paying Postmaster the cause of delay in its receipt.

Stamp Advices.—Stamp every Advice, upon receipt, in the space provided therefor upon back of Advice, at upper left-hand corner.

Remitter, Payee, &c.—Fill in the spaces under the several headings, indicating number, place of issue, name of remitter, name of payee, amount, etc.

Date of Payment.—Carefully preserve the Advices until the corresponding Orders are paid. Immediately upon payment of an Order, stamp the date of payment upon the Order and upon the corresponding Advice—the latter upon the back, at the lower right-hand corner, in the space provided therefor. Write the corresponding date in this book, under the heading "Date when paid," which ordinarily completes the transaction and the record.

File Advices.—File the paid Advices, preserving them for a period of four years, when they may be disposed of as waste paper. It is advisable to file them alphabetically, by name of office, by quarters, according to date of issue.

☞Statements are to be prepared from the paid Orders, not from this book.

Repayment.—If notice of repayment of an Order is received, write under head of "remarks" the sentence, "Repaid.....(give date) 190...." Write a similar sentence across face of the Advice, file the notice of repayment, in lieu of the Advice, and return the Advice to the Postmaster at the office of issue, who must forward it to the Auditor, with the repaid Order, as a part of the voucher.

Duplicates.—A duplicate of a lost Order may be applied for at any time within one year from date of issue (actual evidence of loss is not necessary). The object of this record is, therefore, to preserve, in permanent form, all the particulars necessary to enable the Postmaster to make the certificate he is required to sign prior to the issue of a duplicate. Under the head of "Remarks," record is to appear, showing the date when such certificate is made, viz: "Application for duplicate payable to.....certified .....190...."

Warrants.—While an Order is good for the amount for an indefinite period, payment may not be made on the original after a period of one year from date of issue has elapsed, but a Warrant will be issued by the Department (not by a Postmaster) at any time thereafter, if application therefor be made upon the blank provided for the purpose. When such application is certified, an entry is to be made as follows: "Application for Warrant payable to.....certified.....190...."

This book is a permanent record of the Post Office at which it is used. It is the property of the United States, and each Postmaster must in turn preserve it carefully, and turn it over to his successor, taking a receipt therefor
