

# Liberation Time (Chapter 2)

## Cindy Nguyen

### Chapter 2

Liberation was a time.

It was a demarcation  
of what came before  
and what came after.

Liberation was a place.

where everyone was invited  
and forever remained guests.  
Awaiting an alternative future.

Liberation was a friend.

a neighbor, a brother  
a believer, a dreamer  
familiar, familial, filial.

Liberation was a sound

repeated, whispered echoes  
to cleanse and empty  
the evils of the past,  
the errors of the past  
the past, the past, the past.  
Ngày xưa, ngày xưa, ngày xưa.
