

I enclose herewith a copy to Father O'Neil of Ellerslie Mills.

73 Warren St New York.

Nov 9th 1867

My dear McQuinn,

As I know you love to have rare books I send you a copy of "Father Tom and the Pope," of which less than 250 copies have been printed. I had the honor of writing the preface, and Father Tom McQuinn is no doubt one of your relatives. So we have a joint interest in it.

Will you please give my kindest regards to Mrs. McQuinn, and Mary (and I think I see her singing in the choir at Milton Church,) and Mrs. Marnie, and Richard the orator, and Fred, and his wife, and Jo and his, and Clark, and believe me

Yours as always

J. C. McQuinn Esq.
