

Dear Sir,

Cape Town August 5. 34
E.A.M.

I arrived here an hour since, and despatch the B. + immediately with a Cazen of Brandy for Mr. Hathaway, 1 Cazen of Madeira + 1 Cazen of Claret for yourself. which I and my Lays are good. I cannot best them at this hour, and the fellow will not wait as he is afraid of the Mandarins -

The only arrivals here are the Bombay Castle and "Caledonia", - The "Pluto's" letters only reached this yesterday afternoon, and she has not made a

move. Probably will not, till after the

Capt. Perry advises that

Barometer stands high,

and is favourable for running out.

Give my respects to Mr. Hathaway, & all his friends. I regret that there has been no Fork here for two months -

in haste

Yours Sincerely

A.A. Torr

William King Esq
