My Dear Child

yesterday I received your favor
of the 17th Instant.

I believe there will not be much
difficulty in procuring redress for your neigh-
-bors, but have not had time since the receipt
of your letter to investigate the principles, I
shall do so at an early day, and then point
out the measures to be pursued.

The consequences which I apprehended
from a removal to this place are vanished
our force is on the ground, and firm to the
common interest, we shall doubtless prevail and
no thing will be re-decided.

I hope you will embrace the Stedding and that
you & Sally and the children are accompanied

by Miss Butten will pay a visit to you
Dear Mother and Albany relations.

We are all well, and all join me in
love to you. Sally and the children, my
best wishes attend to Sarah and her
family. God bless you

Yours ever most
affectionately
