My Dear Father

I wrote to you yesterday
and it is now then doubtless if I sent
the furniture &c to day but it has cleared
and the carmen are taking them out
of the house as fast as possible
they think that one car will hold
them all. but perhaps not. I send
them in the 5 o'clock train which
arrives in Sing Sing at twelve. so
they will be all ready in the morning
the Casks & things, before you better
leave at the stable. but do not
unpack any thing till I return
The auction is to take place on
Tuesday. so I cannot return before

Wednesday. but will come then if nothing
happens to prevent. I enclose you a Check
for \$30. - which will pay for her care
if necessary to have two, I hope Mamma's
health continues to improve with best love
to her and all at home.

I am - Your affectionate
Langdon Garrison
