

H. Brewster, Esq.

Boston, Aug. 27. 1819.

Sir,

The sale of the Sketch Boston has been effected by bad management in the shipment. - a copy of N^o 2 was in our Athenaeum - ten days before we received them - and two or three other copies were received by gentlemen, which were freely lent. Our first supply of N^o 2 did not come to hand until the 13th of August - and the second was not received until the 25th -

We request, that the third Number be shipped as soon as possible - that the whole N^o we take be sent at the same time - and that care be taken to put them on board a packet that belongs to Providence - the last was sent on board a Newport packet.

We wish you to send immediately - an additional supply of 50 N^o 1. & 2. - We have not a copy of N^o 1. left - so you perceive it is important to send them immediately. Respectfully - yours Wells & Lilly
