

Saturday
~~Thursday~~ Morning

I have this instant received
My beloved Ann your Note. I cannot
tell you how kind I think you in writing
again when you had reason to suppose
I had neglected your first. Enclosure
is a letter I wrote immediately after
its receipt, I sent it to your House
it returned, a little soiled by the
bearer's fingers, with word that Miss
Hoffman was out of Town.

Nothing can be uninteresting to me
which concerns you. Nothing more
gratifying to your affectionate
Augusta than an assurance of your
Friendship -

Miss Ann Hoffman
