

My dear Em,

I am reading the Inheritance
to your Mamma, and I have not the
whole of it; will you send up by Abner
-ham the volume of Matilda's in
which it is contained; we will take
good care of it, and I will bring it
home on Sunday - I wish all are
well - How impatiently I wish to
see the doctor; I hope he will alleviate
the feeling - God bless you dear

Your mother
