

Miss E. Nicholas

My dear Ben

You do not know how disappointed

I am not to see you. I came up to take you home with me this morning and shall hope to see you on Monday certainly. I will remain at home and if Mary R comes bring her with you. It is useless to attempt to write what I wish to say, so I will leave all till I see you and do do do come Monday very early.

Yours truly Eliza S.

Do not disappoint me I entreat you.
