

Washington D. C.

Dec. 24, 1896.

My dear Sir:  The project of purchasing and preserving "Sunnyside" deserves the heartiest commendation. There is no better way to make the name and works of Washington Irving an inspiration and literary model for the growing thousands of new American writers than by thus publicly cherishing and honoring the relics of his personality.

Yours truly

Geo. V. Nicotay
J. B. East Esq.
Editor "Ragun of the World."
