

Dear Ben, I was surprised and rejoiced
to hear of the return of our dear Doctor.
Now, you will be happy - Abraham will
hand you this, and I do entreat you,
Missy, to take a few moments of your how
precious time, to let me know how the
Doctor is, what he says of Phieaps,
Sarah &c - The horses being constantly
employed, I can not return until Sun-
day, so don't disappoint me - Gots
love to all - Abraham is waiting
for my note - Your affec^{te} mother
