Woughkeeps 26th Jan. 1791

I believe you will recollect paying
to Governor Clinton, in this town the sum
of £12 — on my acc^t, on settlement
and payment of your acc^t. I gave a
Receipt in full, I ought to have had
Gov^r. Clinton's receipt, but have not
yet had it; he had my bond for a
certain sum, which altho paid I cannot
get up without that receipt, you will
therefore please to transmit it to
me first opportunity, and least you
should have lost or mislaid my receipt
I here inclose you one in full for all
acc^{ts}. that have subsisted between us
my situation renders this necessary
which I hope will be a sufficient
Satisfaction I am Dr. yours most

Respectfully

John White
