Sir

Having frequent orders from our wholesale customers for the Sketch Book, we are desirous of being informed if you can supply us with a portion of the future No.s to answer those demands.

They usually discount made to us by Mr. Thomas (/) & being obliged to pay him cash on receipt of the books, has caused us to decline sending them, as our correspondents will not chuse to have them at retail price on credit, & even then will not make much on the interest of our money.

If any arrangement can be made, you will oblige us by writing per return of mail

Yours respectfully M. Carey & Son
