New York Aug 6th 1842
 Col. P. Van Cortlandt

My dear Sir
 Having just completed the
 map of the last survey as directed, showing the course &
 profile of the Croton River included in Cortlandt
 Manor. The damage caused by the going away of
 the Croton Dam to the adjacent lands & churning off
 valuable timber, destroying in several places good
 pasture land & covering the same with sand & rocks
 also the present condition of Deer Island, the sites of the
 Mills and Bridges carried away - the extent of the
 filling up of the Channel at the mouth of the Croton
 River. the location of the residence of Col. P. Van Cortlandt

showing its relation to the Steam & L.
Having also completed the calculations ^{the copies of which} ~~the~~ ^{are to}
make. I have to present my bill for same.

If not convenient to pay it at this moment would you
oblige me by a remittance of One Hundred Dollars
May I request the pleasure of a line from You
by the return of mail and believe me dear Sir
with respect & esteem

Y^r Most S^t
