I Received your two Last Letters
The Last in Regard to Rannals I dont know how
that affair was acted you Uncle did the business
he is now in Town I speak to him about it

The other Letter of June 1st and the one to John
Shoke. I have Read. And answer that the
Saw is gone down with a load to the Sloop and
is to bring up a load of Wheat Out of Travis Store
And will fetch the Remainder to morrow. I suppose
Shoke will get all the wheat ground the next
week, the water begins to scant a little, untill
the other mills above grind, when it comes down
the dam runs over. Shoke will not fat a hog
but the sweeping of the mill and Shoke with
care will do it, Mr Sharrock is in town, there is
now no difficulty in loading and unloading this
Sloop it differs more than half our love
to you all Am Yours
