

SHR
Dear Sir. I have so much to attend to in
a little time, that I forgot to leave
my note for you. It is here annexed.
You said something about 90 days
but I forgot exactly what. I mean
the days blank - you will please let
me know at what date you fill it

up - if the other got 90 days. I should
like to have the same - if not I can't
ask it. I was in hopes of having advice
by this time of the forwarding of No 2 to me.
If to be put? on Saturday I ought to
know it a few days beforehand.

I am ordered the proper respect

to ship it this week
