My dear Kate

As you are probably all
snowed under I shall not attempt
to come up to day, but, should
nothing prevent, will come up
to morrow in the train which leaves
New York at One O'clock.

Ever affectionately
Washington Irving

SHR.

Thursday

New York.

P.S. Should I not come up in that
train you need not expect me until
Saturday.

JAN. 25, 1859
